## TRAVEL INSURANCE

Pilgrimage travel insurance is now automatically included in the cost for UK residents travelling to Lourdes by air or coach organised by the Diocesan Pilgrimage Office. Cover is for pilgrims up to the age of 95 years at the time of departure. The policy covers pre-existing illnesses, terminal illnesses and does not require pilgrims to undergo medical screening procedures. The policy will be sent with your booking confirmation.

You must also bring with you a European or Global Health Insurance Card. Current EHIC cards are valid until the expiry date shown on the card and will be replaced at renewal date by the UK Global Health Insurance Card. Apply online from [www.ehic.org.uk](http://www.ehic.org.uk) or by phoning 0300 330 1350. Please allow sufficient time for delivery.

## PASSPORTS

Passports are required. Should you need to obtain or renew one, apply early to avoid delay. Non EU citizens may require a visa and should check with the French Embassy at least three months before departure. Passports should be valid for travel at least 6 months after your pilgrimage return date.

## PILGRIMAGE PROGRAMME

The Pilgrimage Programme will be published in full nearer the date of departure when the precise times and locations of the various services will be known. The programme will consist of daily Mass, including the International Mass, and on various days a Penitential Service, Stations of the Cross and visits to the Grotto and Baths. Shrewsbury will process as a diocese in the Blessed Sacrament and Torchlight Processions on dates to be specified, although pilgrims are invited to participate on other days. Daily notices giving times and places of events during the week will be posted in hotels.

## HOTELS

All the hotels listed on the next page are within easy walking distance of the Domaine.

## ASSISTANCE FROM HOTELS

Every effort will be made by helpers to assist disabled and infirm pilgrims staying in hotels to attend the services, provided that such help has been requested on the Booking Form. This service is dependent on the number of volunteers available each day so cannot be guaranteed.

## FOR PILGRIMS WITH HEARING DIFFICULTIES

An Induction system is fitted in most of the places where services will be held.

## WHEELCHAIRS

Wheelchairs will be provided if requested on the Booking Form. Should you need to take your own special chair you must insure it privately as it will not be covered by standard travel insurance. Make sure all detachable parts are individually and clearly marked with your name, address and hotel. Electric scooters are available to hire in Lourdes.

## BAGGAGE

Please keep baggage to a minimum as there is limited space for luggage on the coach. We recommend one normal size suitcase and, for travelling, a small bag for valuables, passport, medicine, food, drink and toilet articles. Your baggage is your responsibility at all times and must be clearly labelled.

## MEDICINES

Take an adequate supply of medicines, tablets and medical dressings to last the week. Keep enough of these for the journey, with cash, valuables and passport, in hand baggage.

## WHEN TRAVELLING

Rest and refreshment stops will be made during the coach journeys but we advise you to take sufficient food and non-alcoholic drink with you. Catering facilities at Dover and Calais may be limited and also expensive. Buy on board light refreshments will be available on the flights.

## HOTEL ONLY PILGRIMS

The Pilgrimage Office will reserve rooms in hotels where Shrewsbury Diocese pilgrims are booked for those who wish to make their own travel arrangements. Prices are available on request and will include additional nights accommodation if required. Pilgrims choosing this option must arrange their own travel insurance.

The pilgrimage care team have a collective experience of looking after people with different needs. If you require assistance at home with your mobility and/or daily activities from family members or carers, and you are planning to travel to Lourdes without these support mechanisms, you should stay in the Accueil and should apply to the Pilgrimage Office for a [special application form](#). The Pilgrimage Medical team is allowed under French law to treat only registered sick pilgrims staying in the Accueil. It is not possible therefore to provide medical and nursing care for those staying in hotels, who will need to use the services of French doctors.
